### **VIDEO CRITIQUE:**

“Video Critic” Services will allow a competitor to watch his or her Prejudging Video and listen to an OPA Judge (most of the time this will be the head judges) comments or perhaps 2 judges at the same time. Both video and audio are recorded on a single easy-to-use DVD. Here are the advantages of the “Video Critic” services:

- The comments in “Video Critic” DVD will be only provided by official OPA judges chosen by the executive.
- Allows competitors to watch their pre-judging videos and listen to the comments at the same time.
- Easier, faster and more efficient for competitors to learn and improve training and posing skills through OPA professional comments.

### **IMPORTANT INFORMATION:**

1. It is the competitor’s responsibility to comply with OPA rules and regulations. Please visit the OPA website for more information. This is an amateur event, any competitor who has achieved Pro status in a non-recognized IFBB event, must see the OPA executive before completing registration to relinquish their status and re-enter at the amateur level.
2. The use of vasodilators (i.e.: hot stuff) and cooking spray is strictly prohibited for use by any athlete. Any athlete caught using banned products will be immediately disqualified.
3. Depending on class numbers, it is possible that only the top 5 Bodybuilding and Women’s Physique in each class will perform their routines at the finals. This will be determined at registration by the Head Judge. Please be advised, ANY competitor who fails to return for the evening show will be disqualified regardless of prejudging rankings.
4. Top five competitors qualify for the OPA Natural Provincials.
