VIDEO CRITIQUE:

Video critique services will allow a competitor to watch his or her pre-judging performance and listen to an OPA Judge's comments, critiques, and suggestions. This is usually completed by the competition's head judge. Both video and audio are recorded on a single easy-to-use DVD.

This service is beneficial for competitors to pinpoint areas of improvement for their next competition.

IMPORTANT INFORMATION:

1. It is the competitor's responsibility to comply with OPA rules and regulations. Please visit the OPA website for more information and to read the rules.
2. This is an amateur event, any competitor who has achieved Pro status in a non-recognized IFBB event must see the OPA executive before completing registration to relinquish their status and re-enter at the amateur level.
3. The use of vasodilators (i.e., Hot Stuff) and cooking sprays are strictly prohibited for use by any athlete. Any athlete caught using banned products will be immediately disqualified.
4. Depending on class numbers, it is possible that only the top 5 Bodybuilders and Women's Physique athletes in each class will perform their routines at the finals. This will be determined at registration by the Head Judge. Please be advised, ANY competitor who fails to return for the evening show will be disqualified regardless of prejudging rankings.
5. Top five competitors qualify for the OPA Natural Provincials.
